[X]	Content or scope of notified measure changed and text available from[1]: The draft of the Egyptian standard ES 8461 "Indelible ink –Specification" (17 pages, in Arabic). New deadline for comments (if applicable):
[ ]	Interpretive guidance issued and text available from[1]:
[ ]	Other:

Description: Products covered: Inks. Printing inks (ICS 87.080)

This addendum concerns the notification of the draft of the Egyptian standard ES 8461 "Indelible ink –Specification" (17 pages, in Arabic).

It should be noted that the Ministerial Decree No. 221/2021 (2 pages, in Arabic) which was formerly notified in G/TBT/N/EGY/255/Add.1 dated 1 September 2021 mandated among others the earlier version of this standard, and the draft of this standard was formerly notified in G/TBT/N/EGY/255 dated 5 March 2020.

Worth mentioning is that this draft standard is technically identical with IS 13209:2024 "Indelible ink – Specification".

Producers and importers are kept informed of any amendments in the Egyptian standards through the publication of administrative orders in the official gazette.

[1] This information can be provided by including a website address, a pdf attachment, or other information on where the text of the final/modified measure and/or interpretive guidance can be obtained.

Date of adoption: To be determined

Date of entry into force: To be determined
